

WIRELESS TEL KX-TG3611

Description:

- 2.4 GHz Frequency Hopping Spread Spectrum (FHSS) Technology
FHSS technology provides clear sound over longer ranges, as well as digital security to prevent eavesdropping.
- Digital Speakerphone (Handset)
- You can answer the phone without interrupting what you're doing - whether you're cooking, cleaning, or surfing the Internet.
- Light-Up Indicator with Ringer Alert (Handset)
The indicator on the handset lights up in amber when there is an incoming call for visual confirmation.
- Convenient AAA (R03) Ni-MH Rechargeable Battery (Handset)
Since AAA-type rechargeable batteries are used, you can replace them with two commercially available AAA batteries for added convenience.
(Rechargeable Battery: HHR-4MRT)
- Illuminated Display (Handset)
whenever you get a call or touch a key, the LCD's backlight lights up, so even in the dark you'll be able to see who's calling and easily operate the phone.
- 50-Name & Number Phonebook
Up to 50 station names and numbers can be stored in the built-in phonebook for fast, easy recall.
- Caller ID with 50-Name *1 & Number Call Log*2
The handset LCD displays the caller's name and number, so you can see who's calling before you actually answer the phone
